Head Teacher: Mrs. Barbara Young

**Dear Parents and Carers**,

It has been a quiet week for us in school, just hunkering down getting on with supporting the children's learning and trying to ignore the cold, chilly weather outside. In September, after looking at the children's writing, including with the Ofsted Inspectors, it was clear that as a school we needed to focus on developing the children's skill in learning to write at length, with independence. That is one aspect that the Teaching Team and I have been focussing on every day since then. This week has seen the children preparing for their 'go' at their big independent write that now takes place towards the end of every half term. This time it is on the theme of Easter. This week, the children have been preparing by learning in depth about it. I look forward to reading their independent writing over the coming week or two. You will get a chance to see it too when you attend the Parent Consultation evening, more about that below.

Thank you everyone for working with the school while we tried to navigate second guessing what the weather was going to be like and just how bad it might or might not be. Your flexibility has been much appreciated. We are looking forward to 'normal' weather returning next week and for everything back as usual. When I say everything - that is with the exception of the Wrap around Clubs! That saga seems to be one that is destined to run and run I am afraid. Sadly, there is nothing new to report, we are still actively hunting for someone to run these clubs. Until we can appoint someone, the provision for next week will be as follows:

13.03.2023	Monday	Tuesday	Wednesday	Thursday	Friday
Breakfast	8am – 9am	8am – 9am	8am – 9am	8am – 9am	8am – 9am

Location	wet)				

The usual fees for each club will apply. If you would like to use any of these provisions, please contact the school in the usual way.

Please note the After School Club Mobile Number for you to use when your child is attending an the After School Club out of hours, is 07592 730850. Club Leaders will be reminded to have the mobile with them.

#### **Parent Consultations:**

Letters should have gone home this week about the Parent consultations due to be held on Tuesday 21st and Wednesday 22nd March. Please can you get your replies into us by **14<sup>th</sup> March** so that we can book slots and get the confirmations out to you in a timely manner. Thank you. All of the 10 minute consultations will be held in the school hall, with your child's work available for you to view while waiting.

In next week's newsletter, I will be in a position to share detailed information about the staffing arrangements that will be in place after the Easter Holidays. Lastly, here is the latest news from the classes.

Kind regards,

Mrs Young

#### News from Year 1&2

Hello, another busy week for KS1!

In Maths, Year 2s have been practising counting in 2s, 5s, 10s and 3s. On Tuesday we made number lines outside showing how we count in our 3s. We have then been using these skills to work out our times tables. I was super impressed with Arthur! He knew that to work out 9 x 10 he could do 10 x 10 - 3! Arthur repeated

In Design and Technology, the class have started to make their own moving vehicles with Mr Zeal. They created fantastic designs with Miss Weston last week and we are excited to see the final products!

Thank you for bringing in boxes for us to use at the end of term. We really appreciate your continued support.

Well done Year 1 and 2, another fantastic week © Have a great weekend!

#### Miss Weston

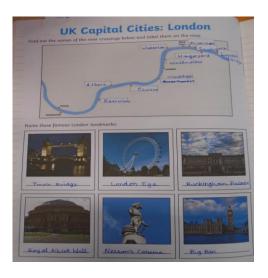

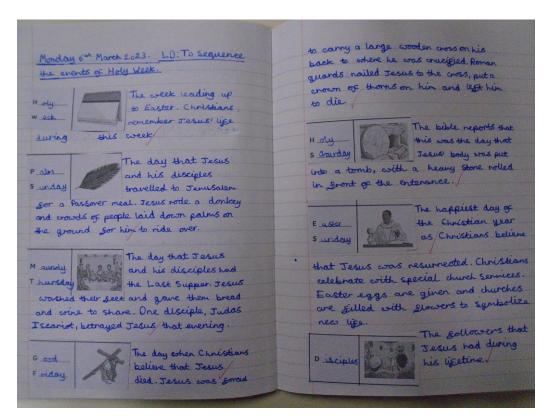

#### News from Years 5 & 6

In the run up to Easter, UKS2 have been focussing on ordering the events in the Bible during this special time in the Christian calendar. In Geography the children have been creating a fact file on our capital city and are beginning to look at the other capital cities of the 4 UK countries. Our weaving is set up and on the way now in Art this term. This week we have been looking at exploring texture.

#### Mrs Templeton & Mrs Kerwan

#### **News from Early Years:**

This week Early Years have been investigating nocturnal animals. They have created hedgehogs already and will also be creating foxes and badgers. They have also been looking at endangered animals

and drew orang-utans using oil pastels. Didn't they do well!

Orang-utan Drawings by Lauren, Ella and Aurora

Mrs Yates has started an 'Easter Tree' with the class.

The children have added their thoughts to it.

I am proud that Reception pupils can all complete subtraction sentences independently, using manipulatives. They have listened and worked hard to achieve this!

Enjoy the snow!

#### The Early Years Team

#### News from Years 3 & 4

So ends another fab week in LKS2! We have worked our socks off and written some fantastic nonsense poems! The children have loved making up new words which are completely ridiculous! Some of my favourites include 'discojally' (Seffie), 'Smatchalongthefloorbecauseihaven'tgotlegs' (Jacob) - imagine having a child with THAT name in your class!, 'falork' (Gabriel) and 'ookys' (Alex). A huge 'congratulations' if you can work out what those all mean!

We also made 'shadow finders' in science, looking at how shadows are cast by opaque, translucent and transparent materials. Some of the designs are very intricate and detailed!

Have a great weekend everyone!

Miss Sheldon

#### Mental Health Support for Hertfordshire's Children and Young People

If your child or teenager is feeling low, anxious, or generally struggling, there are lots of services available to help them all year round. Please always encourage them to talk and ask for help if they need it.

The services listed on Just Talk's webpage are all free and don't need a professional referral, so they can be contacted directly by young people and/or their parents/carers. Services listed include Hertfordshire's new With YOUth Digital Wellbeing Service for ages 5-18, parents and carers and many more, so please take a look:

www.hertfordshire.gov.uk/mentalhealthsupportforhertsyoungpeope

WEEK ONE

Served Week Commoncing:

\* 2022: 31 October, 21 November, 12 December \* 2023: 5 January, 23 January, 20 February, 13 March
